In the case of case law, please complete the example table below:

Court	Date of Judgment	Case Number	Justice	Main Thesis (relevance to the article)
District Court of The Hague	10/09/2018	C/09/456689/ HA ZA 13-1396	The Hague District Court	This was the first successful climate case brought by citizens against a government, setting a global precedent by recognizing the link between climate change and human rights. It inspired similar lawsuits across Europe and helped reinforce the implementation of the Paris Agreement's goals.
District Court of The Hague	05/26/2021	C/09/571932 / HA ZA 19-379	The Hague District Court	This was the first to hold a private company accountable for its contributions to climate change, affirming corporate responsibility under human rights and tort law. It extended the reach of climate litigation beyond states and advanced the enforcement of the Paris Agreement in the corporate sector.

District Court of The Hague	12/09/2020	C/09/600364 / KG ZA 20-933	The Hague District Court	Although the court rejected the claims, the case highlighted the need for climate conditions in public financial support. It underscored the role of litigation in testing the boundaries of state obligations under the Paris Agreement, especially concerning subsidies to high-emission sectors like aviation.
